Your contribution:

- Serve as initial and follow up contact with students/school staff.
- Handle all scheduling, including calendar management, internal and external meeting requests, conference calls and other appointments.
- Collect and maintain insurance information, consent forms and other required documents.
- Work with students and staff regarding additional services, referrals, and external resources available in the community.
- Plan and coordinate the logistics of meetings and events as necessary.
- Attend meetings and produce meeting minutes as needed.
- Enter/collect data, file reports and prepare measurement and outcome reports as needed.
- Draft proposals and reports for funding sources that demonstrate The Health Center's impact.
- Work with the Executive Director to ensure prompt grant management, monitoring compliance with all reporting requirements.
- Maintain professional behavior and relations with school faculty, staff, and referral resources.
- To provide and maintain a safe, judgment free area for all kids that access THC.
- Assist The Health Center in following emergency procedure guidelines.
- Medical Assistant duties:
 - Perform initial assessment on students for health concerns.
 - Alert the provider of deviant health findings; and initiate interventions as directed.

- Initiate student referrals to parents, school personnel, community health resources, or other appropriate agencies.
- Proficiency with vaccination management, administration and documentation.
- Assist in control of communicable diseases by screenings, health education of school personnel, students, and parents in preventative or remedial measures.
- Assess student immunization levels, TB status, and plan for intervention and follow-up.
- Plan, implement, delegate, and provide follow-up for various health screenings.
- To maintain MA certifications in BLS, CPR and first aide at all times.
- Other duties as assigned

What are we looking for?

- Knowledge and commitment to support the mission and work of The Health Center.
- Willingness to build, maintain, and strengthen relationships with THC colleagues, WWPS colleagues, and students.
- Knowledge of local resources and contacts that can provide wrap around services for students.
- Strong organizational skills and ability to work and collaborate in a team environment.
- Excellent interpersonal relations, oral and written communication skills.
- Experience and ability to provide proper record keeping and billing in compliance with HIPAA.
- Understanding and compassion for children and adolescents with mental health issues.
- Ability to multi-task, prioritize and produce high-quality work under pressure.
- Commitment to accuracy in all tasks and attention to detail is extremely important
- Enthusiastic with a capacity and willingness to learn.
- Culturally sensitive and willing to work with persons from various socioeconomic and ethnic backgrounds.
- Strong critical thinking skills with the ability to think ahead and take initiative when needed.
- Medical Assistant Certification

What would get us excited?

- **Bilingual Spanish**
- **Management under pressure:** You never lose a sense of purpose and a sense of humor managing competing priorities in a fast-paced environment. You can make solid decisions under pressure and follow up on them so that things do not fall through cracks.
- **Excellent and skillful communicator:** You enjoy communicating with a variety of humans. Your communication is precise, accurate and friendly.
- **Commitment:** You are in it for the long-haul and want to grow with the organization, just like THC serves its clients and partners through thick and thin. The Health Center asks that staff commit to working to at least one school year in this position.
